ABOUT THE GRANTS

All contingent faculty who study or teach about the ancient Mediterranean and its reception are eligible. For the purposes of this grant “contingent faculty” is defined as including any post-secondary faculty status other than tenured, tenure-track, and retired/emeritx at the time of application. This includes a variety of professional titles, contract-lengths, FTE-statuses, and benefits-eligibility statuses. Those who do not currently have a job within academia but who are actively seeking employment in line with the above are also eligible. Current graduate students are not eligible. Membership in the SCS is not required for eligibility. Those who are unsure about whether they meet eligibility requirements should contact Liz Mercier (eemercie@purdue.edu)

In the third year of this program (2023-2024) SCS anticipates awarding at least \$20,000 in the form of grants up to \$3,000. Each applicant who is awarded a grant will also receive one year of free SCS membership.
