The American Philological Association salutes its members and friends who made contributions to the annual giving campaign during the last fiscal year (July 2008-June 2009) and to the Endowment for Classics Research and Teaching since the inception of that campaign in Fall 2005. Gifts to the two campaigns are listed separately on the following pages. The Association is very grateful to its donors who are providing this vital support at a critical time.

The APA has made every effort to ensure the accuracy of these lists. Please call the APA office at 215-898-4975 or email carewj@sas.upenn.edu if you have questions or if you find an error.
2008-2009 Annual Giving Report

APA members responded with generosity to the Association’s annual giving appeals during the fiscal year that just ended (July 2008-June 2009). Three hundred thirty-seven (337) donors, representing 11.6% of all individual members contributed over $46,000. Contributions to our current Gatekeeper to Gateway capital campaign to raise an Endowment for Classics Research and Teaching are not included in this Annual Giving Report. See the following acknowledgments of pledges and gifts to the Endowment.

Contributions to Annual Giving are critical to the yearly operations of the American Philological Association. The donations cover costs which cannot be met by membership fees alone and are applied to the annual meeting and placement service, and, when designated by donors, programs such as the American Office of *l’Année philologique* and the TLL Fellowship. The Board of Directors thanks the members who understand that the Association continues to rely on the income generated by annual giving for ongoing expenses as it conducts the capital campaign. It is not easy to provide simultaneously for the present and the future, but the members cited on the following pages have done just that for the Association during the last fiscal year. We urge you to join them by returning your Fall 2009 annual giving appeal response card or by making a contribution through a new, secure web site: https://app.etapestry.com/hosted/AmericanPhilologicalAssociat/APAGiving.html

The members listed below made contributions to the Association in one or more of the following ways: (1) in response to the Fall 2008 annual giving appeal, (2) along with payment of dues for 2009, (3) along with payment of registration fees for the 2009 annual meeting, (4) in response to the Spring 2009 annual giving appeal (although contributions made in response to this appeal after June 30, 2009 will be acknowledged next year). The list also includes the name of a new life member of the Association for 2009; her name is followed by an asterisk (*). The Fall and Spring annual giving appeals continued our recent practice of permitting members making donations at or above $250 to use their gifts to honor a revered teacher. Please note that not all qualifying donors chose to make such a designation.

The 2008-2009 Annual Giving Donor Report includes those donors who made gifts during the 2009 fiscal year (July 1, 2008 - June 30, 2009)
The American Philological Association deeply appreciates the following donors who have made contributions to *Gatekeeper to Gateway: The Campaign for Classics in the 21st Century* through November 30, 2009. As a result of their generous support the Association

- has claimed three installments of the National Endowment for the Humanities’ matching grant (a total of $460,000)
- is more than half-way towards the amount it must raise ($2.6 million) to claim all challenge grant funds available by the deadline of December 2010.

Donors to the campaign making contributions at or above $250 may use their gifts to honor a revered teacher. Please note that not all qualifying donors chose to make such a designation. The contributions listed below represent pledges that total $1,500,000. Of that amount over $1,100,000 has been received and invested. These funds are the foundation from which we will provide essential resources for Classics scholars and students for decades to come, and we are happy to recognize the donors who have made this possible.
