This glossary explains those terms in grammar, rhetoric, and prosody that readers of Greek and Latin commonly encounter in their first three years of study. English grammar is the focus, however, the links with Greek and Latin grammar are explained. The Glossary defines many Greek and Latin constructions that do not occur in English and draws examples from Greek, Latin, and English masterpieces.

Features: All AP* Vergil rhetorical and prosodical terms • Quotations from Greek, Latin, and English masterpieces • Tables of verbal aspect, types of nouns, English personal pronouns, English relative pronouns, the English verb to be, and many more
