

# SOCIETY FOR CLASSICAL STUDIES

ΨΥΧΗΙΑΤΡΟΧΤΑΓΡΑΜΜΑΤΑ

November 1, 2019

As you make your way to Ithaka  
wish for a long journey  
full of adventure, full of knowledge.

Dear colleague,

Cavafy's famous take on the *Odyssey* reminds us of the pleasure and importance of the journey to knowledge; it also encapsulates the essence of what the SCS does. We foster, encourage, and nurture the quest for knowledge among all our members. Yet this journey can be full of obstacles, real and metaphorical.

The **SCS Annual Fund** helps our community's journey by providing **travel grants to the Annual Meeting** for graduate students and contingent faculty; by lowering costs of the Annual Meeting for **all members**; by supporting academic engagement and research through the newly expanded **Minority Scholarships** as well as **TLL and Pearson Fellowships**; and by recognizing the accomplishments of our members through **Precollegiate Teaching Awards**.

Through these and other initiatives the SCS strives to sustain our discipline and create a more inclusive, vital community. If you are in a position to give, please donate what you can online at [classicalstudies.org](http://classicalstudies.org) or by mailing your donation along with the attached form. By doing so you will affirm your commitment to our common enterprise and journey.

**We're all in this together.**

With gratitude and best wishes,

Lily Panoussi

and

Kenny Morell,

Annual Fund Committee members

P.S. If you have given in the past, we thank you and encourage your continued support. If you are planning your first gift, please know that **every donation of any amount** is welcome.
